EACE 1e General Assembly 2026 Brussels

Focus: General objectives:

1. Public recognition of the value of Christian education and the contribution to (European) society, citizenship and good governance.
2. Political recognition of Christian education and to have a significant voice in the policy process.
3. Parents being informed, ready to claim their rights and exercise their duties, and represented at European level.
4. To show the quality of Christian education is one of the best in Europe and the efficiency of work processes is high.
5. To have effective participation in European proposals and better use made of European budget opportunities
